# Specialty Pharmacy

For Patients

# We Are More Than Just a Pharmacy

Our Specialty Pharmacy Team is here to help. We support patients with chronic and complex diseases. Our team provides specialized therapies and customized services. We deliver the best medical care.

Our team will guide you through your medication journey. We make sure you receive safe and effective care. We help you with **medication access** and **financial assistance**. Most importantly, we offer support at any time, day or night.

Our care team will educate you on your medications.

## This includes:

- infusion techniques
- side effects
- drug interactions

**Pharmacy Staff Will Reach Out From (989) 729 - 4781**

**Please Add This Number to Your Contacts!**

We call you in advance with **refill reminders** and ongoing support. We offer fast and free delivery or pick-up, free clinical services, and **around-the-clock support**.

As a patient of the Memorial Healthcare Specialty Pharmacy, you are our priority. We want to help you live longer and better.

## PHARMACY CARE TEAM

The Memorial Healthcare Outpatient Specialty Pharmacy care team is filled with skilled experts. This includes clinical pharmacists, benefit coordinators, technicians, and patient care coordinators. **We are here to answer any questions about your medication or condition.**

## WE OFFER SUPPORT BY:

- Helping you manage side effects
- Reminding you when it's time for a refill
- Educating you on how and when to take your medication
- Confirming you receive your medication
- Addressing treatment concerns
- Answering your questions

## WHAT TO EXPECT

- Benefit Coordination & Financial Assistance
- Timely Refills & Prescription Monitoring
- Free Medication Delivery & Supplies
- Collaboration with Providers
- Access to 24/7 Support
