

COVID-19 TESTING SITES (PCR)

Memorial Healthcare is pleased to offer the community convenient **COVID-19 PCR** (active; collected by nasal swab/wash) testing. Please be assured that Memorial Healthcare continues to follow all necessary protective procedures relating to the COVID-19 pandemic.

We're Here. We're Ready. We're Keeping You Safe.

ALL TESTING LOCATIONS

- Appointments strongly encouraged; but not required
- Results generally in 24-72 hours via Memorial's patient portal
- Open to anyone interested in a COVID-19 diagnostic test:
 - For screening purposes
 - For those experiencing mild to moderate symptoms of COVID-19
 - Anyone who has knowingly come into contact with someone who has a confirmed or suspected case of COVID-19
- A provider order is highly recommended. However, Memorial Healthcare is prepared to assist with an order if needed

COVID-19 SYMPTOMS:

- Fever
- Cough
- Chills
- Headache
- Sore throat
- New loss of taste or smell
- Shortness of breath
- Difficulty breathing
- Congestion/runny nose
- Nausea/vomiting
- Muscle/body aches
- Diarrhea

(as of 8/19/20)
